授業到達目標の達成度	All six units listed in the syllabus were studied. The students did well with the speaking and listening tasks. The students did the on-line homework.							
反省点	In my opinion, considering the number of students, it was successful. The students practiced in pairs. However, if there were fewer students, the class would be much better. Other schools make a limit of 25 or 30 students. We had 40 students in room 1308 which was slightly uncomfortable. I couldn't use some teaching techniques because it was difficult for the students to move around the room and also for me to move around the room. Most students did enthusiastically, but I'm afraid some students lost some motivation because of the							
来年度の計画	Next year the course will be taught by a different teacher.							
授業評価アンケートに対するコメント	The students understood the content and seemed satisfied. There were some positive statements about the course.
